

ALL-ABILITY PICNIC BENCH

Wheelchair-accessible family table with two benches

info@greenspace.co.uk • 01837 861664 • www.greenspace.co.uk

This stylish, accessible design allows a family or group with mixed abilities to meet or picnic together.

Our innovative all-ability meeting suite is ergonomically designed for wheelchairs to pull up on the open side.

Visitors with reduced mobility do not need to lift their legs over a traditional A-frame to sit down.

**All-ability picnic
table with benches**

£2,300

plus delivery,
installation and VAT

This design works beautifully in both metropolitan and countryside sites.

The character of the timber complements natural settings, or brings a hint of natural style to an urban landscape.

These benches can be oriented to take in a scenic view, and always becomes a popular visitor feature.

Cost: £2,300 PLUS DELIVERY, INSTALLATION AND VAT

Material: British-grown timber, over 50mm thick

Finish: Danish oil

Length: 3.5m table
2.2m benches

Height: 800mm table
500mm seat

Installation: Legs buried up to 600mm in soft ground, or fixed to urban ground with sub-surface resin anchors

Maintenance: Apply Danish oil or leave to season naturally. Scrub with warm soapy water as required. Treat joints and timber at ground level each summer with clear timber preservative, for durability.
